Machon was the partner of David Shayler if I remember correctly. He subsequently became Dolores Kane after “transitioning” https://en.wikipedia.org/wiki/Delores_Kane

The Wiki is weird in that it keeps referring to him as “she” even during the historical bits of his bio when he was clearly a “he”. And calling him Kane even though he was Shayler at the time

Both of them, Machon and Shayler/Kane were MI5, so about as reliable as a chocolate teapot. Although, having said that, her story in the vid sounds very credible

I didn't know Pete, that Macron was a partner of David Shayler, then nothing surprises me! Shayler went a bit mad after he deserted MI6, claiming he is Christ whether that was just pretend, i don't know. But as you say the Jews bombing their own embassy is par for course, they have been caught before damaging their own synagogues and cemeteries!
